Foss League final rained off

Following a beautiful day the evening challenge match between Foss Evening Division 1 winners Dunnington and Division 2 champions Melbourne had no sooner started than it was rained off.

So the Foss Evening Cricket League finished as it started - with wet weather.

Nevertheless everyone enjoyed a very sociable hour or so thanks to the hospitality of the Dunnington club, giving opportunity for presentation of the league cups and trophies including the, now beautiful, recently restored Division One silver cup.

Originally made in 1908, and used at a now defunct horse show, the cup was re-engraved and presented to the league by the Stubbins family.

It has been used since the inception of the league in 1954 and carries the names of all winners including several clubs that no longer exist such as Full Sutton, Bolton, Harton, East Cottingwith, Kirby Underdale, Leavening, Elvington, Holme, Thornton and Aldby Park.

PRESENTATION: the photograph shows management committee member Stuart Craven congratulating Paul Miles of Dunnington and Jos Room of Melbourne with league secretary Mike Wellock looking on.
