Woodhouse & Heworth make early surge

Woodhouse Grange and Heworth are the only Division One sides still with a 100% record after the second round of matches in the Foss Evening Cricket League.

Heworth rolled Yapham over for just 56, thanks to Steve Ward's 4/10. Paul Neal then scored 35 as Heworth romped home by 7 wickets.

Woodhouse Grange had David Suddaby's 75* from 37 balls to thank for a win against a spirited Melbourne. Woodhouse posted 146/5 and their 17 year old strike bowler Harry Collins picked up 3/17 to put Melbourne in early trouble. However Joss Room (31), John Chaplin (24), Matt Beevers (24) and Brian Underwood (26) made their best efforts to overhaul the champions, but fell 28 short.

Barmby Moor bounced back from their last ball defeat in week one with a nine wicket win over Wheldrake. Matt Walker's 25 was the only significant score in Wheldrake's 65/6 while Charlie Cameron (26*) and J. Sykes (25*) knocked off the score for Barmby with more than six overs to spare.

Dunnington's victory over Stamford Bridge was based around Jack Bolam's all-round performance. Bolam scored 34 in his side's 107/3, Gareth Miles also added 35, then took the season's best figures of 4/9 as Stamford fell short at 96/9. Mark Holmes (34) and Dave Bradshaw (27) tried to resist but Gerard Camplejohn (3/20) backed up the efforts of Bolam.

Division Two now takes a skewed appearance due to the resignation of Pocklington from the league. As such the matches will take the form of a bye, the two points awarded to The Retreat last week have been expunged.

Heworth Colts continued to make a strong start, claiming a five run victory over Londesborough Park. Will Rymer's 30* was the rock around which the Colts 81/5 was built. Will Ravenhall (3/13) and Martin Boothroyd (3/27) then gutted the Londesborough innings to leave them short at 76/9.

The Retreat scored a comfortable victory as Sid Mouncey (55*) and Ian Surgenor (31) added 95 after an initial wobble against Stockton & Hopgrove to post 140/4. Stockton were restricted by miserly bowling from Mouncey and John Hughes, mustering 85/5 in reply mainly due to M. Cox (30*) and C. Perera (26*).

Cueball picked up a comfortable 25 run win over Westow despite the best efforts of the Earle brothers. Mark Hancy (58) hit a maiden half century after 20 years in the game, while Mick Nelson (39*) contributed again as Cueball made 132/3. Westow promoted their youngsters at the top of their batting order and it left too much for Mark (52*) and Neil (33*) Earle to do as they fell short at 107/4.
